Program Summary

The Associate of Science in Health Science program (ASHS) serves as an entry into a core health science curricula. The ASHS degree provides the student with a comprehensive program of study designed to satisfy entry-level eligibility requirements into a health care professional program. The curriculum is designed to allow students to attain their educational or occupational goals. It offers adequate course flexibility for acceptance into both GSC's and other institutions' degree programs.

ASHS Admissions Process

- 1. Apply online at GSCollege.edu
- 2. Send transcripts from all institutions attended directly to GSC
- 3. Receive acceptance letter
- 4. Pay matriculation fee
- 5. Receive confirmation of your GSC entrance
- Complete admission requirements and attend orientation/registration
- 7. Become a GSC student!

Admissions At-A-Glance
