Graduation Rates

The federal government requires disclosure of graduation rates based upon completions by full-time, first-time-in-college students within three years (for two year programs) of initial enrollment. The National League for Nursing Accreditation Commission requires disclosure of graduation rates within three years of first enrollment in a nursing course. The Good Samaritan College of Nursing and Health Science (GSC) rate is based upon completion of the program within six years of entry. Using these formulas, the most recent results are:

	Federal Rate Fall 2006	NLNAC Rate Fall 2006	GSC Rate Fall 2003
Total Students	7	72	91
Graduated	0.0%	75.0%	57.1%
Withdrawn/Dismissed	71.4%	20.8%	42.9%
Still Enrolled	28.6%	4.2%	0.0%

Nursing Achievement

At the end of the curriculum, students take two comprehensive standardized tests.
