

**GOOD SAMARITAN COLLEGE OF NURSING AND HEALTH SCIENCE
CINCINNATI, OHIO**

Policy Title: Tuition Remission for Employees and Dependents

Good Samaritan College of Nursing and Health Science and TriHealth offer a wide variety of benefits to eligible employees and dependents in recognition of the different needs of an employee. As an educational institution, the College promotes the education of its employees in many ways. TriHealth offers a tuition reimbursement program to eligible full- and part-time employees. Additionally, an employee of the College is entitled to tuition remission for themselves and their immediate dependents (spouse and children) to attend Good Samaritan College of Nursing and Health Science.

This benefit does not guarantee admission to the College. Prospective students must meet all admission standards established for the College at the time of application.

This benefit only covers tuition. The amount being equal to the tuition charges each semester. All other fees and financial obligations must be paid by the student.

The request for tuition remission must be approved by the President.
