## Alumni Activities

### Note from new Alumni Board President Joe Coz

Dear Fellow GSC Alumni,

I am honored to serve as the Alumni Board President. COVID-19 has changed the landscape of what it means to be a healthcare professional. With all the changes this past year, I am confident in the staff and faculty at GSC who continue to prioritize students' well-being and success to address the ever-changing needs of the patients and populations we serve.

GSC continues to remain a very special place. However long ago it may have been, and wherever our lives may have taken us, all alumni carry with them the foundational knowledge, experience, and critical thinking developed during our time at the college. Alumni consistently go where we are needed and do so with compassion for others.

Thank you to all my fellow alumni and friends of the college. I look forward to continuing to partner with you and GSC in this new capacity. Your support for the mission continues to inspire the next generation of students to follow a shared passion of service.

Genuinely,  
Joe

## **Congrats to our Spring 2021 ALUMNI AWARD WINNERS!**

Alumni Award winners received a certificate at graduation and a \$250 check from the Alumni Association. Congratulations!

### **Outstanding AASN Graduate - Christina Carr**

Christina was President of Student Government Association. Under her leadership, SGA formalized with its own bylaws and a board comprised of student leaders and faculty advisors. She drove SGA activities that were mission-based, such as community projects. Christina is kind and caring, and was always reaching out to her fellow students to help them. Congratulations Christina!

### **Exemplary Service Award - Sadie Schultian**

Sadie completed over 39 community service hours volunteering - cuddling babies in the NICU, helping with the Cancer Institute's lunch care and working in the volunteer office at Good Samaritan Hospital, which is outstanding. Congratulations Sadie!

### **Outstanding BSN Graduate - Lisa Sunderhaus**

Lisa was highly engaged in the program, working to be successful, and giving 100% of herself. She always has a smile on her face and made sure to include her peers, never leaving anyone behind. Lisa was engaged in her role practicum, continuously looking for learning experiences. She maintained an A average which resulted in her invitation to join the Sigma Theta Tau Nursing Honor Program. Congratulations Lisa!

### **Message from GSC President Dr. Judy Kronenberger**

Hello GSC Alumni,

Summer is just around the corner and I hope all of you are doing well since our last communication. As of June 2 and Governor DeWine's reduced restrictions regarding masks for fully vaccinated people, Good Samaritan College of

Nursing and Health Science followed the lead of the Governor and our leadership at TriHealth and we no longer require masks for fully vaccinated people who are with us on campus (non-clinical areas only!). We will continue to allow for 6-feet social distancing though for anyone who is not fully vaccinated but this is a huge step in moving forward for faculty, staff, and students. Thank you again for your continued support and prayers—I feel very blessed to be part of the GSC family and wish you the best as we move into summer and fall (which will be here before you realize it!).

Take Care!

Judy

### **Spring 2021 + Fall 2020 Commencement was on May 13th**

The Spring 2021 and Fall 2020 combined commencement ceremony was held at St. Peter in Chains on Thursday, May 13th. It was wonderful to be able to celebrate the fall class since they were not able to have a ceremony in December. The Spring 2021 class included 43 AASN graduates, 8 BSN graduates and 1 ASHS graduate. The Fall 2020 class included 44 AASN graduates and 8 BSN graduates. Each graduate was permitted to bring two guests. Because we were not able to have the honored tradition of Strawberry Breakfast, each graduate was given a box of six chocolate-covered strawberries with blue and yellow drizzle and a note about the history of Strawberry Breakfast.
