Accommodations Request Form

GSC is respectful of students' rights and responsibilities in accordance with the Americans with Disabilities Act of 1990 (ADA) as amended by the ADA Amendment Act of 2008 and Section 504 of the Rehabilitation Act of 1973. Any qualified student with a disability may request an accommodation to ensure that the academic program does not discriminate against or have the effect of discriminating against the student. The disability/disorder must not prohibit the student from meeting the course outcomes. To determine eligibility for academic accommodations, the College requires current and relevant documentation from a qualified professional with expertise in the area of the diagnosed disability/disorder that establishes a disability/disorder, its impact on the student, and confirms the need for each accommodation requested. The documentation must be sufficient to apprise the College that the student currently has a disability/disorder that excludes the student from participation in, denies the student the benefits of, or otherwise subjects the student to discrimination in any program or activity. By completing this form, you are certifying that you are qualified to render this required diagnosis. Please complete the form as directed.
